- High Flyers |
- Club's Choice Fundraiser 2
- Raider Rewards 2
- Bell Schedule 2
- Homework Helps 2

## Integrity

North St. Francois Country R-I School District participates in a Character Education Program throughout the school year. We encourage parents, students, and community to be aware of the focus word each month. Help your child recognize and understand the importance of each character word. Give them situations and safe avenues in which to practice each word.

Integrity

The Character word for the month of September is integrity. Integrity means choosing that which is right, fair, and honorable in all situations.

Support your school in the fight for good character!

## High Flyers

North County Intermediate School utilizes a program called High Flyers. High Flyers are teacher chosen students who exhibit good character traits and do not have numerous discipline referrals. The students chosen to participate in High Flyers will have extra responsibilities. Some of the extra responsibilities will be

reciting the Pledge of Allegiance & PBS Pledge school wide. They will be asked to pick up lunch count sheets for the office. They will be invited to special luncheons. Each High Flyer is a representative for their class. They are to work together as part of a team and help with suggestions for overall school improvement. This is

an honor for any student and we encourage you all to strive to be chosen. Be a positive role model for your homeroom & school! Let's work together to make this the best school year yet!

Raiders will be Safe! Raiders will be Respectful! Raiders will be Positive! Raiders will be Learners!
