- I have read, or had read to me by my parent/legal guardian, in its entirety, the North St. Francois County R-I School District Acceptable Technology Usage Policy (AUP) and Website Consent (Note: website consent is a portion of NCSD's AUP).
- I agree to abide by its provisions.
- I understand a \$1.00 technology fee is required before I (9 – 12 students only) receive my computer password. If I fail to pay I understand I may receive a lower course grade for courses and/or projects requiring the use of technology resources to complete course assignments.
- I understand that violation of these provisions may result in disciplinary action taken against me, including but not limited to suspension or revocation of my access to district technology, and/or suspension or expulsion from school.
- I understand that my use of the district's technology is **NOT PRIVATE**.
- I understand and consent to district interception of, or access to all communications I may send, receive or store using the district's technology and/or personal storage device pursuant to state and federal laws.
- I understand the school district can and will monitor my use of district technology, including but not limited to monitoring current activities, accessing Internet history, browser logs, and any other current and/or history of use.

**PARENT/LEGAL GUARDIAN
AUP Agreement and Website Consent Signature Section**

As the parent or legal guardian of the student signing above (hereafter referred to as "child"), I have read the District's Acceptable Use Policy (AUP) and Website Consent (Note: website consent is a portion of NCSD's AUP).

- I understand that violation of any of the provisions outlined therein may result in disciplinary action taken against my child, including but not limited to suspension or revocation of my child's access to district technology, and suspension or expulsion from school.
- I understand a \$1.00 technology fee is required before my child (9 – 12 students only) receives his/her computer password.
- I understand suspension, revocation of my child's access to district technology, or failure to pay the technology fee may result in a lower grade in courses requiring the use of technology resources to complete course assignments and/or projects
- I understand that my child's technology usage is **NOT PRIVATE**.
- I understand the school district can and will monitor my child's use of district technology, including but not limited to monitoring current activities, accessing Internet history, browser logs, and any other current and/or any other history of use.
- I understand and consent to district interception of, or access to all communications I may send, receive or store using the district's technology and/or personal storage device pursuant to state and federal laws.
- I recognize it is impossible to restrict access to all materials available on the Internet. I further recognize that the district is making considerably more than just a 'good faith' effort to prevent unacceptable access to these materials and I will not hold the school district, its employees or its agents responsible for anything my child might inadvertently access on the Internet.
- I understand that my child (9 – 12 students only) may be required to use his/her personal email account to submit assignments. If my child does not have a personal email account the assignment will be saved to an instructor's jump drive.
- I will accept responsibility for providing guidance at home. I will set and convey standards, including the consequences of plagiarism, for my child to follow when selecting, sharing, exploring, and using information and media.

Additionally I will agree to be responsible for any unauthorized costs arising from my child's improper use of the district's technology facilities. I agree to be responsible for any damages incurred by my child's inappropriate use of district technology.

Select only ONE consent listed below:

I (Print Name) _____ give **Full Permission** for my child to utilize the school district's technology resources **AND** to have his/her name and/or picture with full name with school related activity **posted** on the District Website and/or student created online publications or projects.

I (Print Name) _____ give **Permission** for my child to utilize the school district's technology resources **WITH THE EXCEPTION** that my child's picture **NOT be posted** on the District Website and/or student created online publications or projects.
