

Parents/Guardians,

We hope everyone has had a safe and enjoyable summer with their family.

Our Open House dates are Monday, August 17th 4:00 p.m.-5:30 p.m. for First and Second grade and Tuesday, August 18th 4:00 p.m.-5:30 p.m. for Early Childhood and Kindergarten. Open House will look different than in years past. Teachers will not be available to meet with students and parents in person during these times. Your child's teacher will reach out to your family through a video welcoming you to their classroom for the upcoming school year.

During these Open House times we ask that only parents/guardians stop by to drop off their child's classroom supplies and to pick up a hang tag for their child if they need it for parent pickup. When you drop off your child's supplies there will be a table with your child's teacher's name. Please make sure your child's supplies are labeled with your child's name. Please check the class lists posted on the wall as your child's teacher may have changed due to virtual enrollment and students being placed in a different classroom to ensure classroom numbers are consistent.

If you are picking up a hang tag for your child there will be tables at the other end of the cafeteria for you to pick up a hang tag for parent pickup this school year. The first hang tag is free, additional hang tags are \$3.00 each. Please make sure to have your driver's license to present so we may provide you with a hang tag.

Entrance to our Open House will be the cafeteria doors we use for parent drop off and parent pickup. The exit for our Open House will be the front doors of the building by our office.

We look forward to the upcoming school year and being a part of your child's education! See you soon!

Sincerely,

Chad Lynn, Ed.D.
N.C. Primary Building Principal

Parents/Guardians,

Good evening Parkside Elementary Parents and Guardians:

I hope this message finds you well. As we prepare for the upcoming school year, I would like to share a few items related to our Parkside Elementary Open House.

Parkside Elementary Open House is Tuesday, August 18th from 4:00 - 5:30 p.m. for grades 3 and 4. It will look different than in years past. Teachers will not be available to meet with students and parents in person during these times. Your child's teacher will reach out to your family through a video welcoming you to their classroom for the upcoming school year.

During this time, we ask that only parents/guardians drop off their child's classroom supplies and pick up a hang tag(s) if needed for parent pickup. The supply drop off area will be our cafeteria. You may park in the back lot and walk in the corresponding doors. Tables will be labeled with teacher names to expedite the drop off process. Please make sure the supplies are labeled with your child's name. Please check the posted class lists in the drop off areas as your child's teacher may have changed due to virtual enrollment and students being placed in a different classroom to ensure classroom numbers are consistent.

If you are picking up a hang tag for your child, they will also be available during Open House. The first hang tag is free, additional hang tags are \$3.00 each. Please make sure to have your driver's license to present so we may provide you with a hang tag. If you complete the Parent Hang Tag Application prior to attending Open House, we will have your hang tag(s) ready before you arrive. You will still need to present a driver's license in order to pick up the hang tag. The following link will take you to the application:

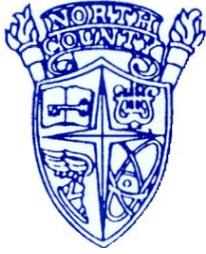

https://docs.google.com/forms/d/e/1FAIpQLSfgdTvdZUj563pWMk_mtfaD06-WKNVzVwnPuLXcYxvd_AXAQ/viewform

Entering and exiting the building for Open House will utilize the back entrance/cafeteria doors. You may park in the back parking lot for convenient entry to the building.

We look forward to the upcoming school year and being a part of your child's education! See you soon!

Sincerely,

Brandon Gregory
Parkside Elementary Principal

ASSISTANT PRINCIPAL

Good Evening Parents and Students,

Just a few updates and reminders as we get closer to the start of school. [Watch Video Here](#)

1.) If you could please take the time to complete the enrollment form that was sent out last week. This will allow us to know who is going to come to school in person and who is selecting the virtual option. This will help us to finalize homeroom classes as well. I am attaching a link here and you can enroll from our website as well.

<https://forms.gle/2vJ54F8v8JAr1yrp7>

2.) We have converted all of our back to school paperwork into an online form. If you could please take the time to complete the paperwork we can get your student registered for school here at the Intermediate.

<https://forms.gle/3uTQL7TyMLPJqAqd7>

3.) Supply Drop off night will be August 18 from 5-6:30. You can also let us know if you need a parent pick up tag and we will have that ready for you. If you do not - you can still grab one that night. The 1st one is free and they are \$3.00 for each extra one needed. If you could have your student's name on their supplies so we know what classroom to take them to - that would be great.

<https://forms.gle/iYDsCnqwENPzvfkJ8>

4.) Our teachers are working very hard on videos to show you the rooms and tell a little about themselves since we will not be able to visit for open house. We will have those ready very soon and I will be sending those out attached to our virtual tour for you to see the building.

We are looking forward to seeing everyone this year (in person or virtually). Please do not hesitate to call or email if you have questions. We are here to help.

Dr. Mattingly
Building Principal
